> Signor Bosco opened a three nights' en gagement in the Opera House Monday night, and was greeted by a crowded house, and on Tuesday night he had another full house. Of course, everybody came away pleased with the entertainments of both evenings. Bosco was in Anderson eight years ago, and our people had not forgotten his clever, mystifying performances. He gives away a number of presents at each entertainment. Go out to-night and see his wonderful show. Reserved seats are on sale at Hill Bros.

A married woman has been complaining that because she lives in town she sees less of her husband in 10 years than her country sister does in three. From a carefully kept account she demonstrates that he spends only 43 hours a week with her, shoes, hats, Hamburg edgings, some against 70 which her county cousin secures. Of course, town life does leave litvantage when the wrong man discovers after the wedding that he has sworn to love and cherish the wrong woman.

Mr. and Mrs. D. E. Carlisle went down by private conveyance last Saturday to This is the second gold coin found on his visit their old home near Lowndesville. place during the past few weeks, the other Mr. Carlisle has returned home, but Mrs. Carlisle will spend two or three weeks down there visiting her brothers and old friends. Mr. Carlisle does not give a very favorable report of the crops along the roads he traveled. He says the best field of corn he saw on his trip belongs to Mr. J. J. Finley, Jr. He says all the crops are needing rain badly, and that on some plantations the early planted corn is past redemption. He says he is no prophet but expects short crops this fall.

> Prof. Wm. Hood, of Due West, father of our efficient and clever City Clerk, J. K. Hood, Esq., has accepted the position of President of the Summerton Institute at Bartow, Fla., one of the largest and most popular educational institutions in the State, having from 350 or 400 students on the roll and employing nine or ten teachers. The trustees of the Institute are fortunate in securing Prof. Hood's services, as he is one of the ablest educators in our State. He is offering his property in Due West for sale, and will take his family to his new home by the 1st of

Our young friends, Messrs. Sam. Wakedeld and Prue Clinkscales, of Antreville, have invented a new and interesting game called Sextus, which is played on a board thirty-five inches long and sixteen inches wide. The board is divided into two parts of eight inches each, by a partition one-half inch high. At one and one-half inches from the end of one of these parts is a row of six pegs; at seven and one-half inches from this row of pegs is a row of three pegs; seven and one-half inches from the row of three pegs is a row of four pegs; seven and one-half inches from the Washington, New York, Niagara Falls inches from this row of pegs is a row of is off dn a vacation. The next will spend in the West visiting relatives. Dr. McGee will be greatly missed in twest. Dr. McGee will be greatly missed in social circles here, as he is deservedly popular, but all wish him a pleasant vacation."

Walter McFall has returned home from Teras. He reports dull times cut there, and say it is difficult to get a situation of any sort.

Editor R. R. Todd, of our neighbor, the also on Saturday and Sunday, at 11 o'clock, and sloon of Saturday and Sunday, at 11 o'clock, and of relative each of the board. The players sit of relative each of the board, and place a little for Virginia last week to visit the latter's or last when the latter's of clock.
